MTR40F

Robin EH-09, 1215 lbs force, 5.9" shoe

Multiquip's four-cycle rammers are designed for high performance by combining heavy-duty designs with dependable 4-stroke engines.

- Lightweight and portable - only 101 pounds (46 kg)
- Convenient handle allows rammer to be lifted by one person
- Designed specifically for narrow trench work - grease lubricated design for long life
- Ideal for landscapers, electrical contractors and plumbing contractors
- Optional foot extensions available for trench work
